LAND OF MAGIC AND MYSTERY!

Pluto has disappeared and his pal Mickey is hot on his trail! Pluto’s tracks lead Mickey to a magical world filled with giant vines and strange new creatures. However, a dark shadow of mystery surrounds this land and it is not as peaceful as it seems.

As he travels through the land, Mickey meets a kind, old wizard who tells him that evil Emperor Pete has snatched poor Pluto! Summoning his courage, Mickey vows to free his pal and sets off toward Emperor Pete’s Castle. But it won’t be easy for brave, little Mickey. Emperor Pete has cast a dark and sinister spell over his entire kingdom. And now, everyone in the land is after Mickey!

Mickey must bop buzzing bees as fast as he can as he runs and jumps through this mysterious land. Hopping on their head makes them dizzy and then Mickey can grab them and send them spinning! Search for hearts to keep Mickey strong, because when Mickey runs out, his strength is gone.

Watch out for Emperor Pete’s special guardians along the way, bop them on the head until they go away. Use your magic or whatever you can, you must defeat them to save the land!
QUICK CHANGES

Along his treacherous trek, Mickey will find three special costumes which will aid him in his journey. When Mickey finds or is given a costume, it appears in one of his costume boxes.

When you want Mickey to change his costume, press the L or R button to highlight the costume you wish Mickey to wear. Press the A button and in just a moment, Mickey will reappear and be ready for action.

THE WIZARD’S COSTUME

When Mickey changes into the Wizard’s Costume, he is able to perform great feats of magic. By holding down the Y button, Mickey can charge up his magical energy. The longer you hold the button, the more powerful the magic becomes. Release the button and Mickey will launch a dazzling bolt of magical energy!

Each time Mickey uses his magic, Mickey’s magic meter will go down. Collect magic lamps to help Mickey regain his magical power or Mickey will be helpless against Emperor Pete’s evil magic.

THE FIREFIGHTER’S COSTUME

When Mickey straps on his red helmet and boots, he becomes a fearless firefighter! Press the Y button and Mickey will release a powerful stream of water from his firehose. The stream of water is so powerful it can even move some types of blocks!
